

'Virtual Ride' FAQs

What is a “virtual ride”?

Unlike a traditional biking event, a virtual bike ride can be completed at any time during the event day (Sunday, April 26) and can be ridden anywhere. Participants can ride on the streets in their neighborhood, at a local park, or use an exercise bike. Virtual bike rides can be completed however is most convenient for the participant!

Why should I sign up?

All of the money raised from Ride RMHC will support Ronald McDonald House families. As one of our largest fundraising events of the year, we count on the funds raised from Ride RMHC to support our families throughout the year. In these unprecedented times, it's more important than ever to continue to support our families financially.

I already signed up for the ride. What happens next?

If you already signed up for our 7th annual Ride RMHC, your registration will automatically be transferred to our virtual ride, and you'll be able to participate in the virtual ride on Sunday, April 26th.
