FAQs

How do I schedule a meal?

- **New Meal Partner:** Fill out the [meal partner form](#) (*new meal partners only*).
- **Returning Meal Partner:** Email rmhmeals@parkview.com to schedule a meal.

Are we able to drop off our supplies before parking?

- Yes. You are more than welcome to pull up in the circle drive right in front of 2A. Call 260-266-3590 and someone will meet you with a cart to load all your supplies on and take them to the House.

Where do we park?

- Please park in lot P2. We are located on the first floor of Parkview Regional Medical Center inside entrance 2A.

How many people will we be serving?

- On average, we serve 30 individuals during meals, but please understand, that number is never guaranteed. Our guests can check in or out from 8am-9pm (hours may vary), and they know that the meals are available and free. Families have unpredicted schedules with doctor visits, late night feedings, etc.... and may not make it down during serving hours. We ask that you package 8-10 to-go containers for families to grab later.

Do we need to bring plates, utensils, and cups?

- We ask that you bring 8-10 to-go containers with multiple compartments. All meals will need to be individually boxed up. You are welcome to bring bottled water too.

How much time should we allow to prepare the meal?

- Please arrive in enough time to prepare, set up, and serve our guests by the designated mealtime. Meal prep begins up to 2 hours prior to each mealtime, Saturdays one hour prior.

What time do we serve the meal?

- Dinner is served Sunday-Friday from 6:00-7:30 p.m. and Saturday Brunch from 10:00-11:30 a.m. Meals are served for 1.5 hours to allow families the flexibility to come down to dinner on their own time. Families will come and go sporadically throughout the entirety of the mealtime. Dinners can be taken to go, or families may choose to eat in the House.

Should we stay and clean up?

- We do appreciate if you are able to stay and clean up after the meal.

What do we do with extra food?

- Please bring 8-10 to-go containers to hold extra meals in the refrigerator for families to eat later. Dinner can be refrigerated up to 3 days after your meal. Please do not leave leftover ingredients in the kitchen, as we cannot use them.

May we cook food ahead of time in our own kitchen?

- No, we require that meals be prepared in our kitchen or carried in by a restaurant, or purchased from grocery stores (ex: Costco, Gordon's, Kroger).

What should we cook?

- Simple/kid-friendly meals are best. Keep in mind that comfort food is one of the most common stress relievers.

Are we allowed to fry foods using oil in the Kindness Kitchen?

- No, unfortunately we cannot deep fry food in the Kindness Kitchen using oil. If you'd like to include fried foods with your meal, please purchase from a restaurant or licensed caterer. Deep fryers and electric skillets cannot be brought in to be used.

Should we worry about food allergies or dietary restrictions?

- This is not necessary. Guests are responsible for managing food allergies accordingly.

Should we include a "kid-friendly" dish in our menu?

- Kids do not commonly stay in the House with their parents, but they do visit every now and then. You are welcome to provide a separate dish of kid-friendly food, but it is not required.

May we bring homemade baked goods?

- You are welcome to make your baked goods in our kitchen or bring pre-made baked goods from a grocery store.

If we are catering from a restaurant, can we keep it warm with chafing gel fuel cans?

- Unfortunately, we cannot have an open flame in the House – which includes the chafing gel fuel cans. If you need to keep the food warm, let us know and we can have the oven preheated for you to allow the food to stay warm until the serving time.

Do we need to provide beverages?

- We can always use bottled water.

- For the safety of our children and parents, if you are not feeling well - STAY HOME!

Are there other ways of providing a meal besides coming in and preparing it myself?

- Oh yes! We have a solution for everyone! You can cater a meal from a local restaurant and deliver it yourself or have it delivered or fund a meal by donating money or gift cards to local restaurants or grocery stores.

Does the RMHC accept donations?
